ABOUT US

Welcome to Swing Ceylon 🌿

Where Play Meets Flavor

Our Story

Swing Ceylon was created by a small group of friends — some who grew up here, others who now call this island home — united by a love for Sri Lanka's warmth, food, and community spirit. From the beginning, our goal was simple: bring people together. Locals and travelers, families and friends, all sharing laughter, good food, and a touch of play.

Our Community

We work closely with nearby producers, craftspeople, and our local team. By keeping ingredients and opportunities close to home, we aim to support the people who make this island special — and to share the best of its creativity and flavor with everyone who visits.

Allergens & Dietary Info

Our icons mark key ingredients and sensitivities:

🐔 - Chicken 🥚 - Egg 🦐 - Prawns 🌿 - Vegetarian 🐟 - Fish
🌶️ - Spicy 🥛 - Dairy 🌾 - Gluten 🥜 - Nuts 🍺 - Beer 🍷 - Alcohol

If you have any allergies or dietary preferences, please let the crew know, we'll be happy to guide you.

The Park

Tucked among the palms of Unawatuna, our mini-golf park is a living tribute to the island. Each of the 18 holes represents a region of Sri Lanka, from the hill country to the coasts — and when viewed together, they form a to-scale 3D model of the island. It's a walkable map designed to celebrate Sri Lanka's diversity, beauty, and rhythm.

Join Us

Whether you're here for a relaxed afternoon, a sunset cocktail, or a friendly round with friends, Swing Ceylon is your space to connect, unwind, and feel part of the island. For group bookings, private events, or celebrations, just ask our crew — we'd love to help make it memorable.
